Looking for Packet Tracer instructor training materials? Download PT_Instructor_Training_Materials.zip.

NOTE: The Overview. PDF contains speaker notes to learn how to use the PowerPoint with the accompanying file. The Novice, Intermediate and Advanced PDFs include both speaker notes as well as demo notes for detailed instructions on the demonstration portions.

This zip file contains the following:
1) Overview folder
   - PT_Overview.ppt
   - PT_Overview_SpkrNotes.pdf

2) Novice folder
   - PT_ Novice.ppt
   - PT_Novice_Demo_Notes.pdf

3) Intermediate folder
   - PT_Intermediate.ppt
   - PT_Intermediate_Demo_Notes.pdf
   - Intermediate_1.pkt
   - Intermediate_2.pkt
   - Intermediate_3.pkt

4) Advanced folder
   - PT_ Advanced.ppt
   - PT_Advanced_Demo_Notes.pdf
   - Instructions_page1.txt
   - Instructions_page2.txt
   - Answer Network.pkt
   - Initial Network.pkt
   - Activity Wizard Sample.pka

5) Reference Guide folder
   - pt_refguide_netadmin.pdf
   - pt_refguide_files.zip

Description/Overview/Objectives of training materials:
1) Overview training materials
   - What is Packet Tracer?
   - Why is PT beneficial?
   - PT Features
   - How to acquire PT
   - Packet Tracer Forum
   - Tools for Teaching PT
   - Distribution of PT
   - Reporting Bugs

2) Novice training materials
   - Create and arrange devices
   - Connecting devices
   - Configure devices
   - Verify connectivity
   - Simulation mode
   - Common Issues for beginners
   - Helpful resources

3) Intermediate training materials
        PT Features
        Simulation mode
        PDU information
        Complex PDUs
        Challenge mode
        Scenarios

4) Advanced training materials
        PT Features
        Using Activity Wizard to design activities for student use

5) Reference guide for network administrators and academy instructors
        Licensing and Installation
        Port Allocation
        Traffic Levels
        Protocol Details
        Creation of a Relay Server
        Infrastructure Considerations
        Getting Students to Share
        Collaboration between Centers
        Assessment
